Centre for Insect Systematics  
Universiti Kebangsaan Malaysia

Perhimpunan  
Entomologi Indonesia  
Menghimpun, Mengembangkan dan Mengamalkan

## INTRODUCTION

The Entomological Society of Malaysia (ENTOMA) is pleased to invite you to participate in the 4<sup>th</sup> International Symposium on Insects (ISol2020) which will be held in Penang, Malaysia. This 3-day symposium consisting of scientific poster and paper presentations from 23<sup>rd</sup> to 24<sup>th</sup> March 2020, and a post-symposium excursion on 25<sup>th</sup> March 2020.

In line with the theme "Entomology Beyond 2020", the conference provides a broad-based platform for delegates to interact and highlight the recent knowledge and achievement in entomological studies. It is also a channel to unveil the great potential and impact of these creepy crawlers that affect mankind in many ways, including social, economy, health and environment.

## OBJECTIVES

- To provide a medium of exchange of professional thought.
- To explore and understand the function of insect life from various aspects of insect studies.
- To foster global networking among entomologists at the international level.

## WHO SHOULD ATTEND

- Scientists
- Private Companies
- Researchers
- Government Sectors
- Lecturers
